

PROGRAM DESCRIPTION

This program offers providers in post-acute/long-term care facilities an opportunity to participate in discussions on topics vital to their practice setting, including updates in policy and regulatory changes, sources and significance of public funding, care provision for cardiac patients, and medical marijuana for post-acute and long-term care.

OBJECTIVES

At the conclusion of this activity, participants should be able to:

- Understand the current post-acute care reimbursement models and upcoming regulatory challenges
- Recognize the side-effects of epilepsy and its treatment in older patients
- Comprehend pivotal studies showing the effectiveness and decreased cost of care when physical therapy is used for pain management and evaluate how a physical therapist addresses pain management principles associated with a musculoskeletal condition
- Identify common areas of legal exposure, and how to respond to pre-suit claims and civil complaints
- Enumerate two goals of the Governor's Council to Address Aging, and educate about resources with the Aging Network in Massachusetts

TARGET AUDIENCE

This program is directed toward medical directors, attending physicians, physician assistants, advance practice nurses, directors of nursing, registered nurses, certified nursing assistants, and other health care professionals practicing in long-term care.

Directions to MMS Headquarters
can be found online at
[www.massmed.org/About/
Directions-to-MMS-Headquarters](http://www.massmed.org/About/Directions-to-MMS-Headquarters).

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AMDA — The Society for Post-Acute and Long-Term Care Medicine and The Massachusetts and Rhode Island Society for Post-Acute and Long-Term Care Medicine. The AMDA — Society for Post-Acute and Long-Term Care Medicine is accredited by the ACCME to provide continuing medical education for physicians.

This live activity is approved for a maximum of 5 *AMA PRA Category 1 Credits™*. Physicians should claim credit commensurate with the extent of their participation in the activity.

The Current Topics in Long-Term Care program has been designated for 3 management and 2 clinical credits.

CMD CREDIT STATEMENT

This live activity has been pre-approved by the American Board of Post-Acute and Long-Term Care Medicine (ABPLM) for a total of 3 management hours and 2 clinical hours toward certification as a Certified Medical Director (CMD) in post-acute and long-term care medicine. The CMD program is administered by the ABPLM. Each physician should claim only those hours of credit spent on the activity.

NINTH ANNUAL MEETING 2018

Current Topics in Long-Term Care

AGENDA

Saturday, November 3, 2018

7:45 a.m. Registration, Coffee, and Exhibits

8:30 a.m. Post-Acute Care Challenges and Strategies

Presented by Deborah Yolin, PA-C, MS

LEARNING OBJECTIVES

1. Understand the current post-acute care reimbursement models and upcoming regulatory challenges
2. Identify barriers to aligning ACO, hospital, and skilled nursing facility (SNF) payment goals
3. Review strategies to create alignment across the continuum of care for patients

9:30 a.m. Long-Term Health in Older Patients with Epilepsy

Presented by Kaarkuzhali Babu Krishnamurthy, MD, MBE

LEARNING OBJECTIVES

1. Compare chronic side effects of different anti-convulsant medications
2. Regularly evaluate patients with epilepsy for chronic reversible toxicities
3. Augment age-specific general health counselling with factors that are unique to patients with epilepsy

10:30 a.m. Break and Exhibits

11:00 a.m. Understanding Better Management with Physical Therapy: Shifting from Opioids to Movement

Presented by Amy Smith, PT, DPT, CSCS, and Timothy Swenson, PT, DPT, OCS, CMTPT

LEARNING OBJECTIVES

1. Understand physical therapists: level of education, conditions they treat, treatments they render, and expectations of treatment
2. Understand pivotal studies showing the effectiveness and decreased cost of care when physical therapy is used for pain management
3. Describe how a physical therapist addresses pain management principles associated with a musculoskeletal condition
4. Understand the most recent evidence supporting some new treatment techniques in physical therapy

Noon Lunch, Networking, and Business Meeting

1:00 p.m. Emerging Litigation Trends in Senior Care: Setting and Tips to Mitigate Exposure

Presented by Greg Vanden-Eykel, Esq., Barton Gilman, LLP

LEARNING OBJECTIVES

1. Identify and discuss persistent and emerging litigation trends in the senior care settings
2. Identify common areas of exposure
3. Address preventative measures that facilities can take to reduce exposure (pre-suit)
4. Respond to pre-suit claims and civil complaints

2:00 p.m. The Governor's Council to Address Aging and Other Initiatives in the Commonwealth to Improve the Health and Well-Being of Older Adults: Relevance to MAMDA and Your Practice

Presented by Randi Berkowitz, MD, and Alice Bonner, PhD, RN, FAAN

LEARNING OBJECTIVES

1. Describe at least two MassHealth programs and services for older adults and individuals with disabilities
2. Identify two goals of the Governor's Council to Address Aging
3. List at least two organizations that are part of the Aging Network in Massachusetts and how MAMDA members can access those and other resources in the care of their patients and families

3:00 p.m. Adjourn

Opportunities for Q & A will be provided at the conclusion of each presentation.
